

You don't have to be Irish to drink beer, eat corned beef and cabbage or pick a four leaf clover. Just like you don't have to be Irish to celebrate St. Patrick's Day with your neighbors down by the pool.

When: Saturday, March 18, 2023 (weather permitting)

Sunday, March 19, 2023 if we get rained out

Time: 3:00 p.m. (Set up will start around 2:00 p.m.)

Call or text **Esther (347)297-0781** and let her know what dish or dessert you would like to bring (it doesn't have to be Irish).
